Dear Sir,

May I trouble you for an order to admit me and a child to see Mrs Purser on Stay [Saturday] in Tullamore Prison? I was unable to avail myself of the order you gave me on Feb [February] 10. If this order asked for could be worded so that the child and a companion could be admitted it would be convenient as I myself may be unable to go to Tullamore & someone would have to accompany the child. The child's name is Elizabeth Purser.

Yours faithfully,

Frank C. Purser
